

Date of agreement: 4/28/2015

Effective Spring 2010

Articulation of the following Hunter College course/s to SF State course/s has been approved based on faculty review:

<u>SF STATE</u>	<u>HUNTER COLLEGE</u>
JOUR 221	MEDP 29200
JOUR 226	MEDP 15000

This agreement will remain in effect until either of the following occurs:

- Either institution ceases to offer a course above.
- A substantive change to any course named above forms the basis for a new review of the course and the articulation agreement.

SF State will review these agreement(s) on a regular basis and send notification of any alterations to the agreement based on changes to the institution's course(s) or to SF State's course(s). Notification from the institution regarding revisions or termination of these courses is encouraged.

Equivalencies based on this agreement will be displayed in TES [tes.collegesource.com] with specific start and end dates, as determined by the SF State Articulation office in consultation with the approving department.

Questions about this agreement may be directed to Ceci Herrmann in the SF State Articulation office.
