To Do at SF State:

- Enough total units to reach 120 minimum for graduation; 40 units minimum at the upper division level; to include the following:

  **University wide requirements:** 9-18 units
  - ENG 214 (3 units) if not completed prior to transfer
  - American Institutions (6 units): US History, US Government, California State and Local Government requirements if not completed prior to transfer
  - Upper division GE (9 units)
  - Students entering this major with the AA-T in Psychology are not required to fulfill SF State Studies requirements.
  - Fulfillment of Complementary Studies is required; consult with a department advisor on how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

  **Psychology major:** 38 units [PSY 200 met in transfer]
  - Core Requirements (11 units)
  - Basic Courses (18 units): Choose two courses from Areas 1, 2, and 3
  - Electives (9 units): Choose courses in Areas 1-3 and/or additional upper-division psychology courses

  **University electives:** 4-13 units depending on the number of units transferred, course choices made at the community college, and how transferred units are applied to the requirements above.

This roadmap is a sample pathway. Check with a major advisor regarding the most appropriate course sequence for you.
